
The Man in philosophical discourse: on history of ideas

© G.V. Chernogortseva

Bauman Moscow State Technical University, Moscow, 105005, Russia

The article appeals to the problem of man. The author investigates different approaches to philosophical understanding of man supporting her research with extensive historical and philosophical material. She treats the man both as the initiator of philosophical thought and the central problem of philosophy.

Keywords: *philosophy, man, thought, life, society, constitutional state, civil society.*
