
Synthesis of Freud and Marx: the First Freud-Marxists

© L.V. Mokshantsev

Bauman Moscow State Technical University, Moscow, 105005, Russia

This article seeks to examine the first attempts to combine the doctrines of Sigmund Freud and Karl Marx. It is shown that psychoanalysis as a whole is a materialistic, dialectical and revolutionary theory. Attention is drawn to the fact that psychoanalysis can be well combined with other philosophical theories: existentialism, structuralism, post-modernism.

Keywords: *complex, neurosis, the reality principle, Marxism, ideology, psychoanalysis, conflict, repression, conscious and unconscious, bourgeois morality.*
