
The history of the formation of Kuybyshev Aerospace Industrial Complex

© V.N. Paramonov

Samara State Aerospace University named after academician S.P. Korolev (National Research University), Samara, 443086, Russia

The article considers the history of the Kuybyshev space rocket complex formation in 1950–1970. The reasons for the relatively weak historical study of the topic are revealed, the factors determining the choice of the complex manufacturers and their location are identified.

Keywords: *historiography, rocket and space industry complex, factory, design engineering bureau, research institute.*
