# Visualisation as a method of increasing project management efficiency

© N.V. Glivenko, Zh.M. Kokueva, K.V. Volkova

Bauman Moscow State Technical University, Moscow, 105005, Russia

*The study defines the concept of project office and its place in project management and shows the importance of representing project tasks in a visual way. We develop tools for implementing visualisation of project works.*

**Keywords:** *communications, meetings, project management, project office, visualisation, lean manufacturing methods.*
