# The problem of dialogical unities selection in aspect of teaching russian communicative grammar for not native speakers

© E.A. Lantseva

Bauman Moscow State Technical University, Moscow, 105005, Russia

*In the article the question of mastering any grammatical construction in a conversation (dialogue) by students for whom Russian is not native is considered. The minimum of structural and situational types of dialogical unity is selected and analysed. An attempt of their classification is also made.*

**Keywords:** *lingua-didactics, dialogue, dialogical unity, remark.*
